

Lab2 – 計算檔案中的英文單字出現次數

A screenshot of a Windows command prompt window. The title bar shows the path "C:\PROGRA~2\XINOXS~1\JCREAT~1\GE2001.exe". The window has a black background with white text. The text displays a list of words and their occurrence counts, sorted in descending order of frequency. The words are: "I" (2 times), "When" (1 time), "and" (2 times), "changing" (1 time), "dreamed" (1 time), "free" (1 time), "had" (1 time), "imagination" (1 time), "limits" (1 time), "my" (1 time), "no" (1 time), "of" (1 time), "the" (1 time), "was" (1 time), "world" (1 time), and "young" (1 time). At the bottom, it says "Press any key to continue..." followed by a cursor.

```
C:\PROGRA~2\XINOXS~1\JCREAT~1\GE2001.exe
